What's New for 1999?

A New Tax Form: 540 2EZ

Here are some of the features of Form 540 2EZ:

- **Small** – Just about half the size of our other forms and fewer steps!
- **Simple** – Less math. The California 2EZ table automatically includes your standard deduction, personal exemption, and dependent exemptions . . . no more multiplying!
- **Easy** – It comes with it's own pre-addressed envelope!

Do I qualify to use Form 540 2EZ?

Based on the form you filed last year, we believe you qualify to use Form 540 2EZ. However, it is always possible that your income type or some other item changed in 1999. You can use Form 540 2EZ if all the following conditions are met:

- You were a resident of California for the entire year.
- Your income was only from wages, salaries, tips, and interest.
- Your taxable interest income was $400 or less.
- The total amount of your 1999 wages, salaries, tips, and interest was:
  - $50,000 or less if single or head of household; or
  - $100,000 or less if married filing joint or qualifying widow(er).
- You cannot be claimed as a dependent by another taxpayer.
- Your filing status is one of the following:
  Single, head of household, married filing joint, or qualifying widow(er).
- You were **under** age 65 on December 31, 1999.
- You were **not** blind on December 31, 1999.
- You are entitled to claim 0-3 dependents.
- You are claiming the standard deduction instead of itemized deductions for California.
- Withholding on your Form(s) W-2 is the only prepayment of tax you made.
- You are not making any adjustments to income such as an IRA deduction or a student loan interest deduction.

Ready?

Great! Gather all your income information and your social security number. Then go to the form in the middle of this booklet to figure your California income tax the 2EZ way! Instructions for the form begin on the next page.

If you can't use Form 540 2EZ this year because you don't meet all the conditions listed above, getting the tax booklet and forms you need is no problem. See the back cover for information about getting the California Resident Income Tax Booklet.

$$ For You

- **Earned Income Credit (EIC).** If you earned less than $30,580 (less than $10,200 if you do not have any qualifying children), you may be eligible to get the EIC to reduce the federal tax you owe, or get a refund if you do not owe any federal tax. Call the IRS at (800) 829-4477 and enter topic 601 when instructed, or see your federal tax booklet for more information.
- **Refund of Excess State Disability Insurance.** You may be eligible for a refund of excess State Disability Insurance (SDI) if you had at least two employers during 1999 who together paid you more than $31,767 in wages and withheld more than $158.84 of SDI or Voluntary Plan Disability Insurance (VPDI). If you are eligible for a refund of excess SDI, you must use Form 540A or Form 540. See the back cover for information about getting the California Resident Income Tax Booklet.
- **Homeowners and Renters Assistance (HRA).** This California program reimburses qualifying homeowners and renters for a portion of the property tax they paid in the prior year. In 1999, the maximum amounts were $326.40 for homeowner assistance and $240 for renter assistance. See page 27 for more information.

Instructions for Form 540 2EZ

Instructions based on Internal Revenue Code (IRC) as of January 1, 1998, and California Revenue and Taxation Code (R&TC)

Things you need to know before you complete Form 540 2EZ.

You may be able to e-file your return! For more information, go to our website: **www.ftb.ca.gov**

The California 2EZ tables in this booklet are very different from other tables you may have used. There is a separate table for each filing status. Each table includes the standard deduction for your filing status, your personal exemption credit, and dependent exemption credits to which you are entitled.

Name and Address

Use the label from the cover of this booklet to speed processing and prevent common errors that can delay refunds. Attach the label to your return after you finish filling it out and signing it. Make corrections to the label by crossing out any errors and printing the correct or missing information in ink.

A new postal regulation requires using "PMB" with your mailbox number if you lease the box from a private business rather than the United States Postal Service. Enter your box number in the field labeled "PMB no." if you use a private mail box.

Social Security Number

Enter your social security number(s) in the space provided. This information is not pre-printed on your label.

Filing Status

Completely fill in the circle for the filing status that applies to you. Choose only **one** filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

Exception: Married taxpayers who file a joint federal income tax return may file either a joint return or separate returns if either spouse was:

- An active member of the United States Armed Forces (or any auxilliary military branch) during 1999; or
- A nonresident for the entire year and had no income from California sources during 1999.

However, if you file a joint return and if either spouse was a nonresident in 1999, you cannot use Form 540 2EZ. See the back cover to order Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

I**f you are married and file a separate return**, you cannot use this form. Please see the back cover for information about ordering the California Resident Income Tax Booklet.

Please enter the year of your spouse's death.

You may contribute part or all of your refund to the funds listed on Form 540 2EZ, Side 2. See page 5 for descriptions of the funds.

If you would like your refund to be deposited directly into your bank account, see Direct Deposit on this page.

If you entered an amount on line 19, subtract that amount from the amount on line 17. If the result is zero or more, enter the result on line 20. Penalties and Interest

Remember, an extension of time to file your return is not an extension of time to pay your tax. If you fail to pay your total tax liability by April 17, 2000, a late-payment penalty plus interest will be added to your tax due. If after April 17, 2000, you find that your estimate of tax due was too low, you should pay the additional tax as soon as possible to avoid further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519 voucher. If you do not file your return by October 16, 2000, you will be assessed a late-filing penalty plus interest from the original due date of the return.

Taxpayers Residing or Traveling Abroad

If you are living or traveling outside the United States on April 17, 2000, the deadline to file your return and pay the tax is June 15, 2000. Interest will accrue from the original due date (April 17, 2000) until the date of payment. If you need additional time to file your tax return, you will be allowed an automatic six-month extension without filing a written request. To qualify for the extension, you must file your tax return by December 15, 2000. To avoid any late-payment penalties, you must pay 100% of your tax liability by June 15, 2000. When filing your return, be sure to attach a statement to the front indicating that you were "abroad on April 17, 2000."

Frequently Asked Questions

1. How can I get help?

There are more than 1,500 sites throughout California, where trained volunteers provide free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. From January 3 through April 17, a list of locations is available on our website: **www.ftb.ca.gov**, or you may also call us at (800) 852-5711 to find a location near you.

2. When do I have to file?

Your tax return is due on April 17, 2000, but if you can't file by that date you get an automatic, paperless extension to October 16, 2000. Any tax due must be paid by April 17, 2000, to avoid penalties and interest. See form FTB 3519 on page 23, for more information. If you make an extension payment with form FTB 3519, you must use Form 540A, Form 540, or Form 540NR, when you do file your return.

3. I don't have my W-2's. What do I do?

If you did not get all your Form(s) W-2 by January 31, 2000, contact your employer(s). Only your employer(s) can issue or correct a Form W-2. For more information, call (800) 338-0505, select personal income tax, then general information, and enter code 204 when instructed.

4. Should I round cents to dollars?

Please round cents to the nearest whole dollar. Drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next whole dollar. For example, $123.49 becomes $123 and $725.50 becomes $726.

If you have to add two or more amounts, include cents when adding and round only the total. For example: You want to add $5,000.55 and $18,500.73. You would enter $23,501 ($5,000.55 + $18,500.73 = $23,501.28).

5. I owe tax, but don't have the money. What can I do?

Pay as much as you can when you file your return. If you cannot pay your taxes in full, you can request to make monthly payments. However, you will be charged interest and penalties. To make monthly payments, you must fill out form FTB 3567, Installment Agreement Request, and mail it separately from your return. Go to our website at: **www.ftb.ca.gov** or call (800) 338-0505, select personal income tax, then forms request, and enter code 949.

6. What other form of payment can I use?

You can pay by credit card. We accept Discover/NOVUS, MasterCard, or American Express. There is a convenience fee for this service. For more information, see page 24.

7. How can I find out about the status of my refund?

You can check the status of your refund over the Internet. Go to our website at: **www.ftb.ca.gov** . You can also call (800) 338-0505. See the back cover for more information.

8. How long do I keep my tax records?

Generally, you should keep your California income tax records for at least 4 years from the due date of the return or the date the return is filed, whichever is later.

9. I will be moving after I file my return. How do I notify the FTB of my new address?

You can notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available on our website as a fillable form, or you may call (800) 852-5711, and select option 5 to report a change of address.

After filing a return, you should notify the FTB of a change of address for up to 4 years, especially if you leave the state and no longer have a requirement to file a California return.

Additional Information

Privacy Act Notice

The Information Practices Act of 1977 and the federal Privacy Act require the Franchise Tax Board to tell you why we ask you for information. The Operations and Compliance Branches ask for tax return information to carry out the Personal Income Tax Law of the State of California. We may request additional information if we audit your return or take collection action.

If you meet the income requirements, the Revenue and Taxation Code requires you to file a return on the form we prescribe (Sections 18501 and 18621). When you file this or other documents, you must include your social security number for identification and return processing (Section 18624).

It is mandatory to furnish all information requested when you are required to file any documents prescribed by the Franchise Tax Board. If you do not file a return, or do not provide the information we ask for, or provide fraudulent information, the law states you may be charged penalties and interest and, in certain cases, you may be subject to criminal prosecution. We also may disallow claimed exemptions, exclusions, credits, deductions, or adjustments. This could make the tax higher or delay or reduce any refund.

We may give the information you furnish us to the United States Internal Revenue Service, the proper official of any state imposing an income tax or a tax measured by income, the Multistate Tax Commission, and California government agencies and officials, as provided by law. If you owe any monies, we may disclose the amount due to employers, financial institutions, county recorders, vacation trust funds, process agents, and other payers.

You have a right to access records containing your personal information maintained by the Franchise Tax Board. The officials responsible for maintaining the information are: 1) Filing of returns - Chief, Filing Division; 2) Auditing of returns - Chief, Audit Division; and 3) Collection of monies - Chief, Accounts Receivable Management Division.
