What's New and Other Important Information for 2007

Registered Domestic Partners (RDP)

Effective for taxable years beginning on or after January 1, 2007, RDPs under California law must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs will have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into in a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, effective for taxable years beginning on or after January 1, 2007, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. For more information on what states have legal unions that are considered substantially equivalent, go to our Website at www.ftb.ca.gov and search for **RDP**.

For purposes of California income tax, references to a spouse, a husband, or a wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials (RDP) they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Round Cents to Dollars – Beginning with the 2007 tax forms, round cents to the nearest whole dollar. For example, round \$50.50 up to \$51 or round \$25.49 down to \$25. If you do not round, FTB will disregard the cents. This change helps process your returns quickly and accurately.

ReadyReturn

If you are single and your income is only from wages, you may qualify for ReadyReturn. It simplifies the filing process by pre-filing a tax return with information the state already has. For more information and to see if you qualify, go to our Website at www.ftb.ca.gov and search for **ReadyReturn** or call (800) 338-0505.

My FTB Account

Make tax time less taxing! Check My FTB Account for information about your estimated tax payments, FTB issued 1099-Gs, 1099-INTs, California wage and withholding data and more! Go to our Website at www.ftb.ca.gov and search for **My Account**.

Direct Deposit Refund

For a faster refund you can request a direct deposit refund on your tax return whether you e-file or file a paper return. Please be sure to fill in the routing and account numbers carefully and double-check the numbers for accuracy.

Estimated Tax Payment Penalty

You may not be subject to estimated tax payments if your California withholding is enough during each payment period to total either 90% of your current year tax liability or 100% of your prior year tax liability (110% if your income is \$150,000 or more), **or** you paid enough through withholding to keep the amount you owe with your return under \$200. However, if you did not pay enough through withholding, you may have an underpayment penalty. Get form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries, for more information.

If you owe an underpayment penalty, you cannot use Form 540 2EZ. Use Form 540A, or Form 540, or file online through CalFile and e-file.

Head of Household Filing Status

Beginning in 2005, for a child to qualify as your foster child for head of household purposes, the child must be placed with you by an authorized placement agency or by order of a court.

If you are unmarried, your unmarried child no longer qualifies you for head of household filing status if he or she is 19 years of age or older, is not a student, and has gross income equal to or greater than the federal exemption amount (\$3,400 in 2007). In addition, if you are unmarried, your unmarried child also no longer qualifies you for the status if he or she is under 19 years of age, or a student under 24, and pays more than half of his or her own support.

Dependent Exemption Credit

If you are unmarried, you are no longer entitled to a dependent exemption credit for your unmarried child who is under 19 years old, or a student under 24, who pays more than half of his or her own support.

Steps to Determine Filing Requirements

Step 1: Is your gross income (all income you received in the form of money, goods, property, and services from all sources that are not exempt from tax) more than the amount shown in the Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (federal adjusted gross income from all sources reduced or increased by all California income adjustments) more than the amount shown in the Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, you do not have a filing requirement. If you do not have a filing requirement, you must file a return to claim your withholding. You may be eligible for the federal EITC, see page 14 for more information.

2. How can I get help?

Throughout California more than 1,500 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Participating locations are listed on our Website at www.ftb.ca.gov, from January 2 through April 15, or call the FTB at (800) 852-5711 to find a location near you.

3. When do I have to file?

File and pay by April 15, 2008, but if you can't file by that date, you get an automatic, paperless extension to file by October 15, 2008. Any tax due must be paid by April 15, 2008, to avoid penalties and interest. See form FTB 3519 on page 23. If you make an extension payment with form FTB 3519, you can CalFile, e-file, or use Form 540A, Form 540, or the Long or Short Form 540NR when you file your return. You can not use Form 540 2EZ.

If you are in the military, you may be entitled to certain extensions. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

4. I don't have my W-2s. What do I do?

If all your Forms W-2 were not received by January 31, 2008, contact your employer. Only an employer issues or corrects a Form W-2. Wage and withhold information is available on My FTB Account at www.ftb.ca.gov. For more information, call (800) 338-0505, select personal income tax, then frequently asked questions, and enter code 204 when instructed. Your information may be available through ReadyReturn; visit our Website to see if you qualify.

5. Should I round cents to dollars?

Yes, round cents to the nearest whole dollar. Drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next

whole dollar. For example, round \$50.50 up to \$51 or round \$25.49 down to \$25. If you do not round, FTB will disregard the cents.

6. I discovered an error on my tax return. What should I do?

If you discover that you made an error on your California income tax return after you filed it (paper or e-file), use Form 540X, Amended Individual Income Tax Return, to correct your return. Get Form 540X online at www.ftb.ca.gov or call (800) 338-0505 and enter code 908. You cannot e-file an amended return.

7. I owe tax, but don't have the money. What can I do?

File your tax return by the due date to avoid interest and penalties. If you cannot pay on or before the due date, you may pay by credit card or request approval to make monthly payments. See page 9, Credit Card or page 10, Request Monthly Installments.

8. How can I find out about the status of my refund?

Go to our Website at www.ftb.ca.gov or call (800) 338-0505. See page 14 for more information.

9. How long do I keep my tax records?

Generally, keep your California income tax records for at least four years from the due date of the return or four years from the date the return is filed, whichever is later. However, an extended period may apply for California or federal tax returns related or subject to federal audit.

10. I will be moving after I file my return. How do I notify the FTB of my new address?

You can notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available on our Website at www.ftb.ca.gov as a fillable form.

After filing a tax return, you should notify the FTB of a change of address for up to four years, especially if you leave the state and no longer have a requirement to file a California return.

11. The Internal Revenue Service (IRS) made changes to my federal return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. Either use Form 540X, Amended Individual Income Tax Return, to correct the California income tax return you already filed, or send a copy of the federal changes to:

ATTN RAR/VOL MS F310
FRANCHISE TAX BOARD
PO BOX 1998
RANCHO CORDOVA CA 95741-1998

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. See Automated Phone Service on page 14.

Specific Line Instructions

These instructions are based on the Internal Revenue Code (IRC) as of January 1, 2005, and the California Revenue and Taxation Code (R&TC).

Make corrections to the label by crossing out any errors and printing the correct or missing information in black or blue ink. If there is no label attached, print your name, middle initial, last name, and address in the spaces provided.

Line 1 through Line 5 – Filing Status

Fill in the circle on Form 540 2EZ for the filing status that applies to you.

If your California filing status is different from your federal filing status, fill-in the circle under line 5.

Filing Status Checklist

Choose only one filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return, unless you are an RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered not in a domestic partnership.

Exception: Married taxpayers who file a joint federal income tax return may file separate California returns if either spouse was:

- An active member of the U.S. Armed Forces (or any auxiliary military branch) during 2007.
- A nonresident for the entire year and had no income from California sources during 2007.

You cannot use Form 540 2EZ if:

- You file a joint return and either spouse/RDP was a nonresident in 2007. Use Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. These forms are available online through **CalFile** and **e-file**, or on our Website at www.ftb.ca.gov.
- You are married/RDP and file a separate return. Use Form 540A or Form 540; these forms are available online through **CalFile** and **e-file**.
- You have income from a source outside of California.
- You have income from a source not listed on this form.

Single

You are single if any of the following was true on December 31, 2007:

- You were never married or in a registered domestic partnership.
- You received a final decree of divorce or legal separation, or your registered domestic partnership was terminated.
- You were widowed before January 1, 2007, and did not remarry or enter into another registered domestic partnership in 2007 (see Qualifying Widow[er]).

Married/RDP Filing Jointly

You may file married/RDP filing jointly if any of the following is true:

- You were married/RDP as of December 31, 2007, even if you did not live with your spouse/RDP at the end of 2007.
- Your spouse/RDP died in 2007 and you did not remarry or enter into another registered domestic partnership in 2007.
- Your spouse/RDP died in 2008 before the 2007 return was filed.

A husband and wife or registered domestic partners may file a joint return even if only one had income or if they did not live together all year. However, both must sign the return.

Head of Household

Head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You are entitled to use head of household filing status only if ALL of the following apply:

- You were unmarried and not in a registered domestic partnership, or you met the requirements to be considered unmarried or considered not in a registered domestic partnership on December 31, 2007.
- You paid more than one-half the cost of keeping up your home for the year in 2007.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for head of household filing status.
- You were not a nonresident alien at any time during the year.

For more information, get FTB Pub. 1540, California Head of Household Filing Status Information. Go to our Website at www.ftb.ca.gov and take the self-test.

Qualifying Widow(er)

You are a qualifying widow(er) if ALL of the following apply:

- Your spouse/RDP died in 2005 or 2006, and you did not remarry or enter into another registered domestic partnership in 2007.
- You have a birth child, adopted child, stepchild, or eligible foster child for whom you can claim a dependent exemption credit.
- This child lived in your home for all of 2007. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint return with your spouse/RDP the year he or she died, even if you actually did not do so.

Enter the year of your spouse's/RDP's death on your return.

Line 18 – Senior Exemption

If you entered 1 in the box on line 7, enter \$94. If you entered 2 in the box on line 7, enter \$188.

You cannot claim this exemption credit if someone else can claim you as a dependent on their return.

Line 19 – Nonrefundable Renter's Credit

If you were a resident of California and paid rent on property in California which was your principal residence, you may qualify for a credit that you can use to reduce your tax. Answer the questions on page 12 to see if you qualify.

Line 22 – Tax Withheld

Enter the amount from federal Form(s) W-2, box 17, CA Sch W-2, box 17, or 1099-R, box 10. If you have more than one Form W-2, add all amounts shown in box 17. If you have multiple entries on CA Sch W-2, add all amounts shown in box 17. If you have more than one 1099-R, add all amounts shown in box 10. The Franchise Tax Board verifies all withholding claimed from federal Forms W-2, CA Sch W-2, or 1099-R with the Employment Development Department.

Line 24 – Tax Due

If the amount on line 22 is less than the amount on line 21, subtract the amount on line 22 from the amount on line 21. Enter the result on line 24. Your tax is more than your credits.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete Employment Development Department (EDD) Form DE 4, Employee’s Withholding Allowance Certificate, and give it to your employer’s appropriate payroll staff. You can get this form from your employer or by calling EDD at **(888) 745-3886**. You can download the DE 4 at www.edd.ca.gov or go to our Website at www.ftb.ca.gov and search for **DE 4**.

Line 25 – Use Tax - This is not a total line

You may report use tax on your income tax return instead of filing a use tax return with the State Board of Equalization. To report use tax on your income tax return, complete the Use Tax Worksheet on this page. For questions on whether a purchase is taxable, go to the State Board of Equalization’s Website at www.boe.ca.gov, or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the State Board of Equalization. To do so, download a copy of Publication 79-B, California Use Tax, from www.boe.ca.gov or request a copy by calling the State Board of Equalization’s Information Center, see phone number above.

Use Tax Penalty

Failure to timely report and pay the use tax due may result in the assessment of penalties.

Note: Businesses that have a California seller’s permit must continue to report business purchases subject to use tax on their sales and use tax returns.

Use Tax Worksheet	
Round all amounts to the nearest whole dollar.	
1. Enter purchases from out-of-state or Internet sellers made without payment of California sales/use tax. See worksheet instructions below.	\$ _____ .00
2. Enter the decimal equivalent of the applicable sales and use tax rate. See worksheet instructions below.	_____
3. Multiply line 1 by the tax rate on line 2. Enter result here	\$ _____ .00
4. Enter any sales or use tax paid to another state for purchases included on line 1. See worksheet instructions below.	\$ _____ .00
5. Total Use Tax Due. Subtract line 4 from line 3. Enter the amount here and on line 25. If the amount is less than zero, enter -0-	\$ _____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

- Report items that would have been taxable in a California store. For example, you would include purchases of clothing, but not purchases of prescription medicine.
- Include handling charges.
- Do not include any other state’s sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and brought items back to California, generally the use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration, less the \$400 per-person exemption. This \$400 exemption does not apply to goods sent or shipped to California by mail or other common carrier.

- If your filing status is “married/RDP filing separately,” you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP must report the remaining half on his or her income tax return or on the individual use tax return available from the State Board of Equalization.

Note: Report and pay any use tax you owe on the following purchases to the State Board of Equalization, not on your income tax return:

- Vehicles, vessels, and trailers that must be registered with the California Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the decimal equivalent of the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. For example, the decimal equivalent of 7.25% is 0.0725, and the decimal equivalent of 7.375% is 0.07375.
- If you do not know the applicable rate, see the table below and on page 9, “Sales and Use Tax Rates by County.” If you have questions regarding the use tax rate in effect in your area, go to the State Board of Equalization’s Website at www.boe.ca.gov or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. You cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Direct Deposit

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 2, line 29 and line 30. Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the Franchise Tax Board will issue a paper check.

FTB Pub. 4058, California Taxpayers' Bill of Rights, includes information on your rights as a California taxpayer, the Taxpayers' Rights Advocate Program, and how you request written advice from the FTB on whether a particular transaction is taxable.

Innocent Joint Filer Relief

You may qualify for relief from liability for tax on a joint return if (1) there is an understatement of tax because your spouse/RDP omitted income or claimed false deductions or credits, (2) you are divorced, legally separated, terminated your registered domestic partnership, or no longer living with your spouse/RDP, **and** (3) given all the facts and circumstances, it would be unfair to hold you liable for the tax. California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the State Board of Equalization, you must report and pay the use tax due on your state income tax return. See the information below and the instructions for line 25 of your income tax return.

In general, you must pay California use tax on purchases made from out of state (for example, by telephone, over the Internet, by mail, or in person) if:

- The seller does not collect California sales or use tax, and
- You use, give away, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North

Carolina to your home for your use and does not charge California sales or use tax. You owe use tax for the purchase.

Complete the Use Tax Worksheet on page 8 to calculate the amount due.

Extensions to file. If you request an extension to file your income tax return, wait until you file your return to report your purchases subject to use tax and make your use tax payment.

Penalty. To avoid late payment penalties for use tax, you must report and pay the use tax with a timely filed income tax return.

Changes in use tax reported. Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original tax return, contact the State Board of Equalization.

For assistance with your use tax questions, go to the State Board of Equalization's Website at www.boe.ca.gov or call their Information Center at (800) 400-7115, or TTY/TDD (800) 735-2929. Income tax information is not available at this number.

Instructions for Form FTB 3519

Payment for Automatic Extension for Individuals

What's New

Registered Domestic Partners (RDP)

For purposes of California income tax, references to a spouse, a husband, or a wife also refer to a Registered Domestic Partner (RDP) unless otherwise specified. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Round Cents to Dollars – Beginning with the 2007 tax forms, round cents to the nearest whole dollar. For example, round \$50.50 up to \$51 or round \$25.49 down to \$25.

General Information

Use form FTB 3519 **only** if both of the following apply:

- You cannot file your 2007 return by April 15, 2008.
- You owe tax for 2007.

When you file your 2007 return, you can **e-file**. Go to our Website at www.ftb.ca.gov. Use Form 540A, Form 540, or Long Form 540NR. If you use form FTB 3519, you may not file Form 540 2EZ or Short Form 540NR.

Use the worksheet below to determine if you owe tax.

- If you **do not** owe tax, **do not** complete or mail this voucher. However, file your return by October 15, 2008.
- If you owe tax, choose one of the following payment options:
 - Web Pay:** To make a payment online or to schedule a future payment (up to one year in advance), go to our Website at www.ftb.ca.gov and search for **web pay**. **Do not** mail the voucher to us.
 - Credit Card:** Use your major credit card. Call (800) 272-9829 or go to the Website www.officialpayments.com, use code 1555. Official Payments

Corp. charges a convenience fee for using this service. **Do not** mail the voucher to us.

- Check or Money Order:** Complete the payment voucher below and mail it with your check or money order to the Franchise Tax Board (FTB). Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.
- Installment Agreement:** Go to our Website at www.ftb.ca.gov and search for **installments** or get FTB 3567, Installment Agreement Request Booklet.

Penalties and Interest

If you fail to pay your total tax liability by April 15, 2008, you will incur a late payment penalty plus interest. If you have paid at least 90% of the tax shown on the return by the original due date of the return, we will waive the penalty based on reasonable cause. However, the imposition of interest is mandatory. If, after April 15, 2008, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519 voucher. If you do not file your tax return by October 15, 2008, you will incur a late filing penalty plus interest from the original due date of the return.

Taxpayers Residing or Traveling Outside the USA

If you are living or traveling outside the USA on April 15, 2008, the deadline to file your return and pay the tax is June 16, 2008. Interest will accrue from the original due date (April 15, 2008) until the date of payment. If you need additional time to file, you will be allowed a six-month extension without filing a request. To qualify for the extension, file your tax return by December 15, 2008. To avoid any late-payment penalties, pay your tax liability by June 16, 2008. When filing your tax return, attach a statement to the front indicating that you were "Outside the USA on April 15, 2008."
