SUMMARY

This bill would limit the ability of the Department of Corrections and Rehabilitation or a county from referring specified debts to the Franchise Tax Board for collection.

This bill also would make changes to provisions of the Penal Code that are not administered by the department and are not discussed in this analysis.

ANALYSIS

The June 27, 2016, amendments resolved the department's implementation consideration by renumbering language as suggested in the department's analysis of the bill as introduced February 16, 2016, and amended April 6, 2016, and made a number of nonsubstantive technical changes. Except for the "Implementation Considerations" section, the department's analysis of the bill as introduced February 16, 2016, and amended April 6, 2016, still applies.
