

BILL ANALYSIS

Department, Board, Or Commission	Author	Bill Number
Franchise Tax Board	Committee on Judiciary	SB 1171

SUBJECT

Code Maintenance

SUMMARY

This bill would make numerous technical, non-substantive changes as a matter of code maintenance to various California codes, including the Revenue and Taxation Code (R&TC).

This analysis is limited to discussion of the changes that would affect the department.

REASON FOR THE BILL

The reason for this bill is to prevent confusion in applying state law by correcting cross-references, amending terminology for clarification, amending provisions to reflect the current style for drafting legislation, eliminating obsolete language, and renumbering and repealing several provisions in the R&TC.

EFFECTIVE/OPERATIVE DATE

This bill would become effective and operative on January 1, 2017, unless another act chaptered in 2016 that takes effect on or before January 1, 2017, amends or repeals a provision that would be amended or repealed by this bill, in which case, the changes made by the other act would prevail and nullify the changes made by this bill.

FEDERAL/STATE LAW

As sections of state law are amended, references to those sections in other parts of the law are sometimes not updated to reflect the amendment. In addition, provisions enacted in earlier years may not reflect the current legislative style for drafting legislation.

Incorrect nomenclature, cross-references, unclear terminology, and language that is inconsistent with the current style for drafting legislation can create confusion for taxpayers and the department when applying state law.

This bill would make the changes shown in the following table to correct nomenclature, cross-references, amend terminology for clarification, amend provisions to reflect the current style for drafting legislation, eliminate obsolete language, renumber sections, and repeal sections.
